BHARATI VIDYAPEETH'S NEW LAW COLLEGE SANGLI
STRATEGY DEVELOPMENT AND DEPLOYMENT
AY 2018-2019

The perspective plan of the college is developed through discussion and guidance provided by parent institution, Regional Director and College Development Committee. The principal and staff have constantly developed plans for the future and is committed itself in the implementation of desired goals.

The following aspects are considered for perspective development.

1. Infrastructural Development
2. Campus Enrichment
3. Addition of more divisions
4. Programs on Performance Enhancement of the Faculty
5. Upgradation of ICT based equipment in the college.
6. Strengthening campus placement activities
7. Enrichment of Language and Soft Skills through Special Training Programs
8. To promote research activities by providing additional infrastructure and computers.
9. Enrich the library with the latest software, online library facilities.
10. Accessibility to Online Legal database of higher learning institutions.
11. To start P.G. diploma courses in Labour Laws, Tax Laws, and Human Rights etc.

1. Curriculum Development

For 3- and 5-years law courses, Curriculum is developed by Affiliating University. College faculties work on various University syllabus development committees and sub-committees that contribute curriculum development of all theory and practical training papers. The college principal is a member of the Board of Studies. The college takes all the efforts to supplement the university curriculum, academic programs with various activities to integrate the institution's vision, mission, and objectives with that of the affiliating University.

2. Teaching and Learning

The strategies for teaching and learning are in consonance with vision, mission and objectives of the college. It is a unique blend of legal education committed to social transformation. The college ensures improvement in the quality of teaching and learning by:

- Appointing eligible and well qualified staff
- Preparing teaching learning plan through Academic calendar, allotment of subjects, preparation of timetable, and teaching plans in the staff meeting at the beginning of every Academic session.
- Relieving teachers to participate in Orientation Programs and Refresher courses.
- Encouraging faculty to participate in Seminars, Workshops and Conferences with financial assistance and duty leaves.
- Taking regular feedbacks from students
- Inviting Hon. Judges, Renowned Advocates, Academicians, Social Activist as Guest Lecturers and Resource Persons to guide the students.
- Using ICT tools for teaching learning
- Adopting a Mentor system for every class to motivate the students to enhance academic performance.
- Conducting Internal Exams and tests to make students aware of examination process and doing continuous internal evaluation of students through seminars, viva-voce, group discussion etc.
- Motivating students to participate in cultural and co-curricular activities like Moot Court Competitions, Elocution Competitions, Debate competitions and so on to develop self-confidence and self-esteem.
- Guiding students for internship program and inspiring them to attend the Courts, Chambers of Advocates and to observe pre-trial and client counseling activities.
- Conducting Remedial Classes for weaker students.
- Organizing career development programs for achieving students' higher degree of learning and providing them employability skills.
- Engaging the students in skill enriching courses run by the college.
- Providing a well-equipped library with textbooks, reference books, magazines, journals, online legal and non-legal databases as well as providing free Internet facilities with Wi-Fi for the staff and students.

3. Examination and Evaluation

The examination and evaluation process are carried out as per the norms prescribed by Shivaji University, Kolhapur. The norms and pattern of examination and evaluation process

is brought to the notice of the faculty through prospectus of the college, detailed information displayed on the website of affiliating university, circulars, notices, letters regarding evaluation and examination process. The faculty participates in seminars, workshops and meetings conducted by the affiliating university and by the Controller of Examination to discuss and decide examination and evaluation process.

The students are made aware of the examination and evaluation process through prospectus, orientation programs, display of information on website of affiliating university and on notice boards of the college. Detail discussion with students on revised syllabus, scheme of marking, contents of model answer, is held during common meeting.

The students' evaluation process also includes attendance in college and during internal examination, participation in curricular, extra-curricular activities and behavior and etiquette in the college.

4. Research and Development

- Organizing Faculty Development program on Legal Research Methodology.
- The college facilitates well-equipped computer laboratory and Library with adequate infrastructural facilities to carry out the research projects.
- The faculty members are encouraged to publish their research contributions in various National & International Journals and conferences.
- The Institute encourages the research scholars by providing on-duty leave to focus on their research.
- The institute motivates the faculty members to attend research oriented seminars/workshops/conferences, etc., by providing special duty leave.
- The Institute encourages faculty members to pursue Ph.D. programs in reputable universities.
- The institute supports the researchers by providing high-end computing facilities with necessary software and with modern equipments.

5. Library, ICT and Physical Infrastructure /Instrumentation

- Almost all faculty members are provided with personal computers which helps them carry out their research work.
- The institute has Wi-Fi enabled internet facilities for fast access to online resources.

- For promoting research, the college has purchased subscriptions for various online research journals and libraries to provide the latest resources for the faculty members.
- The college library facilitates research-oriented books, journals & e-journals for research reference.

6. Human resource management

- The workload is properly distributed among the teaching staff.
- The workload amongst non-teaching staff is distributed in rotation, if needed, to avoid unequal distribution.
- The Institution facilitates EPF, Contributory Pension Scheme, PPF, Life Insurance medical reimbursement etc. for employees.
- The college provides free Uniforms to the non-teaching staff.
- The College provides guarantee to the loan disbursing agency on behalf of the staff for the purpose of Housing and other personal loans.
- The College facilitates special welfare schemes for physically challenged people.
- Maternity and paternity leaves are granted.

7. Industry interaction

- The College arranges periodic meetings of the Senior Advocates of the Bar to familiarize the students and staff with the practical and procedural aspects of law.
- The Judges and advocates of the High Courts and the subordinate judiciary visit the College frequently and give feedback and guidance to the faculty and students.
- The staff and students actively participate in Lok Adalat, Lok-Nyayalaya, Para-Legal Training organized by the Sangli District Legal Services Authority.
- The College arranges Court Visits and Chamber Visits for the students in collaboration with the District Court, Alumni and Bar Association as a part of Internship program.
- The college organized Industrial visit to Shirala Sugar Factory and Jail Visits regularly.
- The college organized Educational Tour to Gujrat High Court and Forensic Lab at Ahmadabad.
