### 6.4.3 Institutional strategies for mobilisation of funds and the optimal utilisation of resources.

The college mobilizes its funds in the statutory capacity as follows-

**1. Salaries funds-** For the salaries of teaching and non-teaching staff of LL.B. 3 years program, college received funds from the Government of Maharashtra through Joint Director of Higher Education Kolhapur region Maharashtra. BA. LL.B. 5-year program is self-financed, hence, the salary funds for teaching and non-teaching staff are incurred by the college itself or by the Management of Bharati Vidyapeeth Pune

**2. Fees -** The fees under different heads are collected from the students enrolled to BA. LL.B. 5-year program and LL.B. 3-year program such as tuition fees and other fees. The fees for BA. LL.B. 5-year program is determined by the Fee Regulating Authority (FRA) of Govt of Maharashtra every year. The fees for LL.B. 3-year program are determined by the affiliating university. College cannot collect more than stipulated fees. The fees for PG Diplomas and certificate courses are stipulated by the affiliating university.

**3. Advances for Exam and Central Assessment Program-** the affiliating university has given the exam centre of law students to our college for which various kinds of expenses are required. The university pays the Examination funds to college. It's for expenses towards human resources, infrastructure, stationary, traveling etc. The university also assign the Central Assessment Program (CAP) of law courses to the college. For this CAP, funds are provided by the affiliating university.

Quality Legal education for professional competencies and social transformation

**4. Interest on Fixed Deposit-** The college has opened fixed deposit account in the Bharati Cooperative Bank Ltd. Pune and Advocate's Bank of BCI New Delhi from which certain funds are generated in the form of interest and the same is reinvested in the form of fixed deposit.

**5. Alumni contribution-** The college collects alumni registration fees from the final year pass out students. The college also appeal to alumni to sponsor college programs, activities, prizes, etc. from the alumni and ex-teachers.

**6. Lead Workshops and Student Research Project Advances-** the affiliating university grants certain amounts every year to the college for organizing lead college activities for students' development. It also grants funds for research sensitization among students through small field projects.

**7. The strategies for funds utilization-**

The College Development Committee, Principal and Coordinators of committees and programs decide the requisition of funds. The Secretary or joint secretary of Bharati Vidyapeeth Pune approves the funds on the demand of the Principal. The funds sanctioned are spent towards the expenses as per requisition and sanction. Certain expenses are approved by the principal at the college level also.

**The college utilizes its funds for-**

1. Expenses for Salaries to teaching, and non-teaching staff and remuneration of visiting faculties, resource persons etc.
2. Expenses for the Development and maintenance of the infrastructure and other facilities of the college.
3. Expenses for Library books, journals, website, legal database, ERP portal and incidental study materials and facilities.
4. Expenses for Internet, electricity subscriptions and AMCs,
5. Expenses on curricular and extracurricular, outreach activities etc.
6. Service charges for security and other facilities maintenance
7. Expenses for publication of research journal, college magazine etc.
8. Expenses for awards of the competitions and other events.
