### FEEDBACK ANALYSIS REPORT

2020-21

Actually, every year we collect offline feedback from students, teachers and Alumni but due to pandemic situation this year we collected online feedback through Google forms from all stake holders. The feedback is obtained in terms of structured questionnaires and is made available on website. The analyzed feedback is further utilized for the improvement of the quality of teaching learning and Evaluation. After assessment of feedback forms the action plan is prepared considering the suggestions of the stake holders.

**1. Teacher's feedback report:** The teacher's feedback is collected regarding various academic issues. In this ,70.06 % teachers marked 'excellent' about availability and compatibility of teaching aids and, ICT tools and E-resources available for them whereas 29.04 % said that it is 'good'.

58.8 % teachers remarked 'excellent' about research facilities at college and 35.3% noted it as good. Whereas 11.08% teacher marked that they were 'unsatisfied' regarding financial support by college for research aids 47.1% marked it 'good'.

In case of participation of teachers in decision making of academic, administrative, legal and other governance issues 53% teachers marked 'Excellent' and remaining 43% marked 'good' 'which means all the teachers were happy that they get opportunity to participate in decision making process.

Nearly seventy percent teachers were satisfied about infrastructural facilities and cleanliness, safety & security in college campus and also about other facilities like bank, Bazar, ATM etc.

### **2. Alumni feedback report:**

Alumni give regular feedback in alumni meetings and sometimes feedback may be sought from alumni on specific issues over email or through personal meetings.

Overall, the alumni seem happy about teachers and their theoretical as well as practical guidance. Moreover 92% alumni approved that their teacher internal evaluation was fair and unbiased.

In general, from the analysis of feedback we can conclude that the students were happy with infrastructure, cleanliness etc. except sport facilities. Some students suggested that there should be separate ground for the sports.

In case of library, on the whole 60% alumni remarked excellent about library but still there were some students who were unsatisfied with it have some suggestions regarding reference books, online database etc.

Nearly all students seemed satisfied regarding organization of programs for academic and co-curricular activities by college as well about cognizance and resolution of students' grievances in college.

### **3. Students Feedback report:**

In their feedback consequently 45.8% ,38.3% and 15.6% students marked excellent, good and satisfactory while commenting on the use of teaching methods and ICT tools by teachers. Even most of the students seemed satisfied with conceptual clarity discussion and question answer sessions by teachers.

Nearly, 99% students were satisfied with the internal evaluation system and practical training activities conducted by teachers whereas 1% students were unsatisfied.

But regarding overall impression about teaching learning nearly all the students seem satisfied at different level. They seemed contented about teaching learning.

Nearly, all students were seemed satisfied with infrastructure, cleanliness and maintenance of college campus except parking facility and availability of Playground.

In all more than 96% students were happy with library facility, computer lab, tours visits and inter class competitions and activities conducted by the college for their personal and

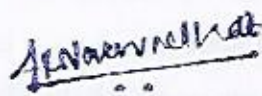

professional development whereas 3 to 4% students were still not satisfied with this and suggested the for need some extra efforts for them.

After analysis of the feedback of stakeholders Internal Quality Assurance cell implements processes and systems to ensure adherence to quality in all aspects of the college's functioning. It reviews teaching - learning mechanism at several levels within the college. The Internal Quality Assurance Cell works with different divisions to find areas of improvement and also to document and suggest new changes and improvements for quality enhancement.
