7.1.4 Water Bodies maintenance and distribution system:

Bharati Vidyapeeth's New Law College, Sangli has two sources of water supply.

1. Municipal Corporation

2. Bore well at the college

- There are separate tanks for storing water supplied by Municipal Corporation and water pumped through Bore well at the college .
- The purified water supplied by Municipal Corporation is used for drinking purpose at all floors of the building.
- This water supplied by Municipal Corporation is further purified by using purifiers .
- The water from Bore well is used for other purposes at canteen, toilet blocks and Washrooms for cleaning and washing purpose.
