Institutional Distinctiveness**

Socio-legal Aid & Awareness and Extension work 2018-19

Social Transformation through legal education is mission statement of our college and it is also social responsibility of college to contribute to people at large with legal aid and literacy etc. Socio-legal awareness among people is one of the ways to bring social change as law itself is an instrument of social change. Our college consistently arrange extension activities through faculties, students, alumni and other stakeholders in the form of law lectures, training workshops, Para-legal training, awareness programs, street plays etc for common people, women, students, youths, NGO members, old age homes, remand homes, senior citizens and so many.
