Respected Madam,

Vide our earlier email, we had informed you that-

1. In the interest of participating students, Late Adv. K.B.Kayastha, XX<sup>th</sup> State level Moot Court Competition which was to be held on 14/03/2020 was abandoned in view of directions issued by Government of Maharashtra & UGC as preventive measures in the light of spread of Corona virus infection.
2. In order to appreciate and recognize the hard work and preparation already done by all the participating teams, we have decided to award the “ Best Memorial Prize ” which was part of the competition and as we had already received memorials of participating teams.

Accordingly, we evaluated all the memorials and it gives us immense pleasure to inform you that your college team has won the prize for best memorial. Heartiest Congratulation to you, your college & the participating college team.

Convey our congratulations to the participating team. We will send the certificate and winners cash prize as soon as college reopens.

Heartiest Congratulations once again.
